

Carestream Health Canada Company
8800 Dufferin Street
Suite 201
Vaughan, ON
L4K 0C5

Dear Sir/Madam,

Carestream Health Canada is pleased to write this recommendation letter in support of HIL-COM Inc based on the work that they have completed on behalf of Carestream Health Canada at Trillium Health Partners (Mississauga site) and University Health Network (Toronto Western Hospital) to facilitate the installation of the Carestream DRX-Evolution DR System.

HIL-COM have always conducted themselves in a professional and organized manner and we have been very pleased with their performance and knowledge of medical institution construction. On-time project completion, professional scheduling, communication, quality workmanship, dependability and the need to minimize disruptions to our customers are a high priority to Carestream Health Canada and HIL-COM consistently achieves the results both we, and our customers, desire. Their poise, leadership and quality service resonates through each and every member of their team and we have experienced nothing but cooperation and professionalism from all HIL-COM staff.

Carestream Health Canada would not hesitate to recommend HIL-COM Inc. If any further information is required, please do not hesitate to contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "Glen Nicholson", is written over a light blue horizontal line.
